

Career Opportunities Fair
Friday, May 24, 2013
3:30 – 5:30pm

The New Pediatric Dentist Committee will be holding its 10th annual Career Opportunities Fair at the 66th Annual Session in Orlando, FL. You can present the unique career possibilities that your facility can provide to interested Pediatric Dentists. The Career Opportunity Fair is a personal and dynamic way of connecting with members of the Academy.

You can demonstrate the advantages that you are offering in a one on one setting. The Career Opportunity Fair is a chance to reach a wide variety of dental professionals – new pediatric dentists, graduating pediatric dental residents and those looking to make a career change.

To showcase your practice/facility you must act quickly because space is limited. Payment must be submitted by May 10, 2013. You will be supplied with a 6 ft. long skirted table to display your presentation and a tent card with your name on it. **The tent card must remain on the table during the length of presentation.*
