**SoFi saves dentist borrowers \$39,924\* on average over the lifetime of their loans.**

The American Academy of Pediatric Dentistry is proud to announce its partnership with SoFi and offer its members with a unique solution to help ease their student loan debt burden. Outstanding student loan debt has quadrupled over the past decade, climbing to \$1.2 trillion and becoming the largest consumer liability after mortgages. SoFi has emerged as the industry leader in student loan refinancing and has funded over \$4.5 Billion to date with over 60,000 borrowers.

As dentists continue to struggle with increasing student debts, the AAPD is focused on providing unique solutions to help its members tackle these issues. Through a unique partnership with SoFi, AAPD members will now be eligible for a \$400 welcome bonus by applying through [sofi.com/AAPD](http://sofi.com/AAPD).

On average, dentist borrowers who have refinanced with SoFi have saved \$39,924. Private and Federal student loans can be refinanced and there are no prepayment restrictions, no fees, no catch.

The application process is simple and begins with a pre-approval to determine the rates and terms available to you. This should take less than five minutes. Qualifying applicants will see the rates and terms available to them so that they can decide how they would like to proceed. Once you select your repayment term you simply upload the necessary documents and SoFi does the rest.
