# Comprehensive Pediatric Dentistry for the General Practitioner

April 3 – 5, 2009 • Venetian Hotel • Las Vegas, NV

## Course Summary

The AAPD has designed a comprehensive review of pediatric dentistry course specifically tailored to the General Practitioner to use in their practice of providing dentistry for children and adolescents.

The general practitioner treating the young and growing child dental patient has an opportunity to provide services across the spectrum of care; from diagnosis to prevention; restorative and other treatments as well as trauma care. This course will provide an overview of growth and development as well as a look at some of the time-honored, efficient and effective approaches and strategies to behavior guidance and approaches to the special needs patient.

Expert pediatric dentistry clinicians utilize a lecture format to review and present the material. Opportunities for additional discussion and one-on-one learning with the experts will occur during the included luncheons.

## Objectives

At the conclusion of the two and one-half day course, participants will have learned:

- The AAPD guidelines and oral health policies for clinical evaluation and treatment.
- The major clinical and knowledge base areas of pediatric dentistry
- Select clinical cases.
- Effective and efficient treatment techniques and their literature evidence base, that can be used in behavior management, care of the special needs patient, and in trauma management.
- A framework of information and understanding on which to build so that the dentist can evaluate future continuing education and make decisions about future coursework in the exciting area of treatment of children.

## Cancellations/Refunds

All cancellations are subject to a \$50 processing fee. Full refunds for registration minus the \$50 processing fee will be given only if written notice of cancellation is received by March 3, 2009. A 50 percent refund will be given if written notice is received by March 27, 2009. No refunds will be given after this date. The meeting sponsors are not responsible for travel expenses or penalties under any circumstances. Notice of cancellation should be made in writing and sent to: AAPD Meetings Department, 211 East Chicago Ave., Ste. 1700, Chicago, IL 60611 or faxed to (312) 337-6329 or e-mailed to Meetings Coordinator Kristin Olson at [kolson@aapd.org](mailto:kolson@aapd.org).

# Recognition, Conflict of Interest and Other Notices

The American Academy of Pediatric Dentistry (AAPD) is recognized (May 2007 – June 2011) by the ADA Continuing Education Recognition Program (ADA CERP) to provide continuing education opportunities for dentists.

The AAPD specifies the maximum amount of continuing education credits as defined for each course. Members should only claim credits commensurate with the extent of their participation in the activity.

While offering the continuing education credits described, courses are not intended to provide extensive training or lead to any type of certification in pediatric dentistry.

The AAPD does not certify competence or endorse performance of any skills taught during these courses. Furthermore, the courses do not supersede independent medical professional judgment.

The AAPD resolves to ensure that its educational mission and its continuing education programs are not influenced by the special interests of any corporation or individual associated with its programs. While having a financial interest or professional affiliation with a corporation does not necessarily influence a speaker's presentation, accreditation standards and good judgment require that any relationship be disclosed to the audience. Any potential conflict of interest will be made known to the participants at the beginning of the program and in any course materials.

If you have any questions regarding these courses, please contact the AAPD Meetings Department at (312) 337-2169.
