

OUR GENEROUS DONORS

(From July 1, 2005 to June 30, 2006)

The first Foundation annual giving campaign in 1992 generated support from forty percent of the Academy's members. The Foundation reached \$1 million in contributions in 1998, and \$1.5 million just one year later. The \$2 million plateau was reached in 2002. The *Healthy Smiles – Healthy Children* capital campaign brought our assets to over \$7 million.
