The AAPD is the membership organization representing the specialty of pediatric dentistry. Our 10,000 members serve as primary care providers for millions of children from infancy through adolescence; providing advanced, specialty-level care for infants, children, adolescents, and patients with special health care needs in private offices, clinics, and hospital settings. In addition, AAPD members serve as the primary contributors to professional education programs and scholarly works concerning dental care for children. The AAPD also represent general dentists who treat significant member of children in their practice.

Mission Statement

The mission of the American Academy of Pediatric Dentistry is to advance optimal oral health for all children.

Action Plan

The American Academy of Pediatric Dentistry carries out its mission by assisting its membership in advocating guidelines and programs that advance the oral health of all children, including those with special health care needs.

About Us

The AAPD is a membership organization representing the specialty of pediatric dentistry. The AAPD's 10,000 members serve as primary care and specialty providers for millions of children from infancy through adolescence; provide advanced, specialty-level care for infants, children, adolescents and patients with special health care needs; and are the primary contributors to professional education programs and scholarly works concerning children's dental care.

The AAPD is the recognized authority on pediatric oral health care and leader in several prominent areas including:

- Development of oral health policies and clinical guidelines for pediatric dentistry
- Advocacy for children's oral health care before legislatures and government agencies
- Dissemination of information to parents, guardians and other caregivers about children's oral health care
- · Continuing professional education for pediatric dentists and general dentists who treat children
