PRESIDENT'S MESSAGE

LOOKING AHEAD

PRESIDENT

Dr. Amr M. Moursi

In 1909, Dr. Minnie Evangeline Jordan opened what is considered the first dental practice exclusively caring for children. The notion that oral health care for children was different than that for adults took a while to catch on but it eventually it did, thanks to pioneers like Dr. Jordan and others. So much so, that in 1947 The American Academy of Pedodontics was formed. And now, re-named the American Academy of Pediatric Dentistry, we are celebrating our 75th anniversary. The handful of dentists who founded the Academy would be amazed at what has grown out of that small group they created, and the impact it has had on the children of the United States and the world.

Our new 75th anniversary book has much more on the history of the Academy. To look through our history is to gain a newfound respect for all the work of those who preceded us. This includes Dr. Jeannie Beauchamp, our Immediate Past President. She led us with such grace through the difficult journey of this last year as we emerged from the depths of the pandemic to

the beginning of some normalcy. The dedication of our leaders, both distant and recent, makes serving as your President even more of an honor and privilege. As I start my term, I hope to use my experience as a practicing pediatric dentist, a teacher and a researcher to move our Academy forward over this next year with renewed energy.

Those of you who joined us in San Diego for our first in-person Annual Session in three years felt that re-energized spirit first-hand. With more than 5,500 attending it felt more like a revival than a dental meeting! It was reassuring to see that the vitality and passion of the Academy was not at all dimmed by our forced absence. In fact, for many it was an opportunity to re-appreciate the special culture we have among our pediatric dentistry family. There were innovative and cutting-edge scientific presentations and over 450 research posters presented. The many volunteers on our Councils and Committees continued all their hard work. But we also had all that during the highly successful virtual Annual Sessions in 2020 and 2021. The

AMERICA'S PEDIATRIC DENTISTS
THE BIG AUTHORITY on little teeth®

special ingredient, the secret sauce if you will, that was missing was what happens outside the “meeting rooms”. Reunions with former classmates and old friends, chance meetings in the exhibit hall or coffee shop, all simply impossible on a laptop. And of course, the wonderful social events, including a phenomenal Welcome Reception in the Gaslamp District sponsored by the AAPD Foundation. A special thanks to Local Arrangement Chairs, Drs. Jacob and Aaron Lee, the Scientific Program Committee, led by Dr. Anthea Mazzawi, and the amazing staff in our Meetings and Continuing Education Department.

At the Annual Session, although we did not want the pandemic to define us, it was important that we recognized what we have missed. The residents who graduated in 2020 and 2021 faced substantial challenges and missed out on many experiences, including the opportunity to attend an in-person Annual Session as a resident. This is usually the first introduction most of us have to the Academy and an excellent opportunity to experience the unique personality of our specialty.

So, the classes of 2020 and 2021 were offered complimentary registration to this year’s Annual Session and nearly 400 took advantage of this offer to join us in San Diego. We also took time to recognize, in a very special reception, the Academy Presidents that guided us through the depths of the pandemic, Drs. Kevin Donly (2019-20) and Jessica Lee (2020-21). They expertly navigated the swirling challenges of the global pandemic with our Academy’s Mission as their guide.

Looking ahead, we will continue to focus on the most pressing issues facing pediatric oral health. This includes our efforts to address limited access to operating rooms through advocacy with the Centers for Medicare and Medicaid Services, and supporting children with congenital anomalies through passage of the Ensuring Lasting Smiles Act. We will also continue to address the critical issues facing our members’ ability to provide care, such as severe workforce shortages, and the ever-increasing student debt incurred by many of our early career pediatric dentists. We will also continue to support leader-

ship development and diversity, equity and inclusion (**DEI**). The current cohort of the Advanced Leadership Institute has been tasked with a focus on DEI, following on from the AAPD 2020-21 DEI Task Force. Their goal is to provide recommendations for efforts that can make all members feel welcomed and give everyone a meaningful voice, as well as ensure that the care we provide meets the AAPD Vision: Optimal oral health for ALL children.

As Dr. Beauchamp said in her last President’s Message, collaboration and focus are the keys to our success. It is a great honor and also a great responsibility to lead the Academy. But, your leaders are here to represent you, and the children we all serve, so please let us hear from you. Your collaboration will help guide us as to where we should place our focus. I would like to thank all the AAPD staff and the many volunteers who often go unrecognized as they help make this Academy such a special place to call our professional home. I know that our founders, those 75 years ago, would be very proud.

GOVERNANCE AT AAPD 2022

by Dr. John S. Rutkauskas AAPD CEO

HIGHLIGHTS OF ACTIONS TAKEN BY THE AAPD BOARD OF TRUSTEES

- To approve the Safety Committee’s development of a Special Interest Group (**SIG**) within the AAPD’s Little Teeth Chat to promote practice safety.
- To appoint Drs. Charlie Czerepak and Jacob Lee to moderate the SIG on safety.
- To apply for membership in the Consortium of Citizens with Disabilities, with a budget impact of \$750.
- To approve the recommendation of the Credentials and Ethics Committee to make Mike Gilliland an honorary member.
- To create the position of Reference Manual Associate Editor, to appoint Jenny Stigers to the position, and to approve a stipend of \$20,000 with a \$4,000 administrative budget.
- To approve the 2022-23 council charges as revised.
- To approve the 2022-23 council and committee appointments.
- To approve the 2022-23 budget with overall revenues and expenses as shown below.

CORE REVENUES		CORE EXPENSES		Expenses, Original:	\$11,715,676.60
Dues	\$ 4,650,000.00	Personnel	\$ 4,108,226.70	Adjustments (see detail):	\$1,650.00
Registration	\$ 3,495,942.98	Services	\$ 5,587,735.48	Total expenses:	\$11,717,326.60
Sponsors	\$ 430,000.00	Travel	\$ 1,158,340.96	Revenue, Original:	\$10,505,407.24
Exhibitors	\$ 375,659.40	Supplies	\$ 127,526.37	Total revenue:	\$10,505,407.24
Advertising	\$ 637,600.00	Occupancy	\$ 567,538.61	Balance:	\$-1,211,919.36
Product Sales	\$ 158,000.00	Other	\$ 166,308.47	ADJUSTMENTS DETAIL	
Subscriptions	\$ 181,800.00	TOTAL	\$ 11,715,676.60	<i>\$900–Adjustment to Western District Trustee Budget (5/24/22, Motion 4)</i>	
Grants	N/A			<i>\$750–Membership dues for Consortium for Citizens with Disabilities (5/24/22, Motion 8)</i>	
Other Income	\$ 576,404.87				
TOTAL	\$ 10,505,407.24				
Core Net Gain/(Loss)	\$ (1,210,269.36)				

Please note that although the proposed budget reflects a negative balance, historically, at the end of the fiscal year the AAPD has consistently shown a balanced budget or a new profit. This is because in the budgeting process we estimate expenses aggressively and income conservatively, and do not include unearned income (investments) in budget projections.

Complete action minutes are available on the Members-Only section of the AAPD website.

HIGHLIGHTS OF THE GENERAL ASSEMBLY

NEW OFFICERS ELECTED

President-Elect: Scott W. Cashion

Vice President: Scott D. Smith

Secretary-Treasurer: Thomas G. Ison

At-Large/International Membership Trustee: Gila C. Dorostkar

American Board of Pediatric Dentistry Director: Anupama Rao Tate

The following existing Definitions, Oral Health Policies, and Best Practices were approved/reaffirmed:

Policy on Child Identification Programs

Policy on Social Determinants of Health

Policy on Mandatory School-entrance Oral Health Examinations

Policy on Role of Dental Prophylaxis in Pediatric Dentistry

Policy on Interim Therapeutic Restorations (ITR)

Policy on Management of the Frenulum in Pediatric Dental Patients

Policy on Dietary Recommendations for Infants, Children and Adolescents

Policy on Snacks and Beverages Sold in Schools

Policy on Use of Lasers for Pediatric Dental Patients

Policy on Acute Pediatric Dental Pain Management

Policy on Model Dental Benefits for Infants, Children, Adolescents, and Individuals with Special Health Care Needs

Policy on Third-party Reimbursement of Medical Fees Related to Sedation/General Anesthesia for Delivery of Oral Health Services

Policy on Third-party Fee Capping of Non-covered Services

Policy on Using Harvested Stem Cells

Best Practices for Periodicity of Examination, Preventive Dental Services, Anticipatory Guidance/Counseling, and Oral Treatment for Infants, Children, and Adolescents

Best Practices for Caries-risk Assessment and Management for Infants, Children, and Adolescents

Best Practices for Pain Management in Infants, Children, Adolescents, and Individuals with Special Health Care Needs

Best Practices for Restorative Dentistry

Best Practices for the Use of Antibiotic Therapy for Pediatric Dental Patients

Best Practices for Antibiotic Prophylaxis for Patients at Risk for Infection

Best Practices for Dental Management of Pediatric Patients Receiving Immunosuppressive Therapy and/or Radiation Therapy

The following new Oral Health Policies and Best Practices were approved:

Policy on Diversity, Equity, and Inclusion

Policy on Use of Pacifiers

Best Practices on Risk Assessment and Management of Pediatric Periodontal Conditions

The following existing Definitions, Oral Health Policies, Best Practices, or Endorsements were deleted:

Definition of Dental Disability

Endorsement, Healthy Beverage Consumption

The following amendments to the Bylaws were approved:

The amendment to the Bylaws to delete the Leadership Development Committee was approved by consent.

The complete 2022 General Assembly minutes are available on the Members-Only section of the AAPD website. Updated versions of the policies and guidelines listed above will be posted on the AAPD website in July and published in the *Reference Manual* this fall.

REQUEST FOR NOMINATIONS

NORTHEASTERN AND SOUTHEASTERN DISTRICTS

The AAPD is accepting nominations for trustee positions in two districts. Current Trustees Angela M. Stout (Northeastern District) and Carlos A. Bertot (Southeastern District) will rotate off the Academy's board of trustees at the conclusion of the 2023 Annual Session. Nominations for new trustees from the Northeastern and Southeastern Districts, for a three year term of service beginning in 2023 and concluding in 2026, are now being accepted. Nominations must be transmitted to AAPD headquarters from the respective districts for these positions. ***The nominations packet must be received at the AAPD headquarters office (to the attention of Margaret Bjerklie) no later than Sept. 1, 2022.*** Candidates are therefore urged to send their completed* packet to the respective district by Aug. 14, to allow time for the district to forward the packet.

Nominations can be transmitted in one of two manners:

- Individuals from the Northeastern and North Central districts can submit a nomination by including:
 - A letter signed by ten AAPD voting (Active or Life) members from the district signifying support of the nomination.
 - An AAPD nomination form** signed and dated by the Nominee
- An AAPD state chapter in the Northeastern or North Central district can submit a nomination by including:
 - A letter, signed and dated, from the president of the recognized state chapter certifying that the nomination is an official action of the state chapter.
 - The AAPD nomination form**, signed and dated by the Nominee.

Under either scenario, the completed nomination packet must be forwarded to the respective district organization (Northeastern Society of Pediatric Dentistry President Maxim Sulla or Southeastern Society of Pediatric Dentistry President Christopher L. Maestrello), who will in turn forward these materials to the AAPD headquarters.

If two or more candidates are nominated, the AAPD will conduct an electronic ballot of each AAPD voting member in the district in order to select the trustee.

The required materials from nominees are the following:

1. Completed and signed Nomination form;
2. A one-page essay explaining their interest in serving in the specific office and summarizing their leadership skills;
3. A background description suitable for publishing in *Pediatric Dentistry Today*;
4. A photograph in electronic format suitable for publication in *Pediatric Dentistry Today*;
5. Three letters of recommendation from voting members of the Academy.

The nominations packet must be received at the AAPD headquarters office (to the attention of Margaret Bjerklie) no later than Sept. 1, 2022.

* *Electronic submission is preferred. The required three letters of recommendation should be sent directly to AAPD headquarters (attention: Margaret Bjerklie, mbj@aapd.org); they do not have to be included in the packet submitted to the district chapter or forwarded by the district chapter to AAPD.*

***The AAPD Nominations Form may be downloaded from the AAPD website members-only area under Governance Documents (Candidate Nomination Forms).*

Welcome Reception

The AAPD Foundation was proud to sponsor the first in-person AAPD Welcome Reception in three years! The Historic Gaslamp Quarter buzzed with excitement as more than 5,000 members and their families came out to show their *BIG LOVE for little teeth!* AAPD guests were able to spread their wings and network as they moved through the various venues, restaurants and shops in the Quarter.

Opening Ceremony & Keynote Address

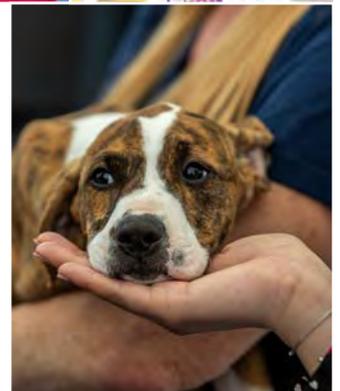

AAPD 2022's unforgettable opening ceremony was the perfect way to kick off the weekend! Ben Nemtin truly set the tone for the rest of the meeting with his inspiring story. He made us wonder what would be on our bucket list, and how do we achieve it. We loved our virtual Hamilton performance last year so much we had to bring it you in person. This surprise was a perfect way to end a great Keynote Address!

Exhibit Hall & Poster Competition

The Exhibit Hall was bustling with attendees exploring new products and all of the hotspots were full of energy! Members loved this year's NEW D4c Dental Brands Activation Station! The energy was felt by all!

Celebrating 75 years of Smiles
 The Story of the American Academy of Pediatric Dentistry

America's Big Authority on Little Teeth

The Story of the American Academy of Pediatric Dentistry 1947-2022

Early Career Dentist Happy Hour

Moonshine Flats was a great spot for early career dentists to network and play games while sipping on local craft beer and delicious, moonshine-based cocktails!

Sponsored by Treloar & Heisel and MedPro

Education & Networking

With over 90 hours of CE, it was difficult to choose which courses to attend. Luckily, you don't have to worry! Purchase the entire 2022 package or just a few individual sessions that you missed. Check out the Education Passport for these and other great courses. Want to earn some more CE? You can do that too!

AAPD PAC Contributors Reception

During our reception in San Diego, we recognized those individuals who contributed at the Patriot's Level (\$1000 and above).

Nine individuals contributed at the Patriot's Level in 2021:

From the Northeastern District
Warren A. Brill, Baltimore, Md.
Deven V. Shroff, Ellicott City, Md.
Angela M. Stout, Erdenheim, Penn.

From the Southeastern District
K. Jean Beauchamp, Clarksville, Tenn.

From the NorthCentral District
Clifford R. Hartmann, New Berlin, Wis.
James D. Nickman, North Oaks, Minn.

From the Southwestern District
Jason A. Zimmerman, Fort Worth, Texas

From the Western District
Jacob K. Lee, San Clemente, Calif.
Jade Miller, Reno, Nev.

We also recognized those who contributed at the Patriot's Level in 2019 or 2020:

From the Northeastern District
Kerry Maguire, Belmont, Mass.

From the Southeastern District
Chad S. Eslinger, Cleveland, Tenn.
Tiffany P. Green, Flowood, Miss.
Jessica Y. Lee, Chapel Hill, N.C.
Silas E. McAninch, Sarasota, Fla.
Heber Simmons Jr., Madison, Miss.

From the NorthCentral District
Bret M. Jerger, Decatur, Ill.
Edward L. Rick, Sterling, Ill.
Martin J. Makowski, Clinton Township, Mich.

From the Southwestern District
Joseph B. Castellano, Laredo, Texas
Kevin J. Donly, San Antonio, Texas

From the Western District
Gila C. Dorostkar, Greenbrae, Calif.
J. Kyle House, Hood River, Ore.

Special thanks for those who contributed at the Patriot Level for EACH of the past three years: *Drs. Shroff, Beauchamp, Hartmann, Nickman, Zimmerman, and Jacob Lee.*

AAPD eligible members have received a recent series of PAC video appeals via e-mail. Please give generously when you receive your 2022-23 dues statement.

You can also contribute using this QR code:

Cliff Hartmann, D.D.S., F.A.A.P.D.
Chair, AAPD PAC Steering Committee

Donor Appreciation Reception

The AAPD Foundation Board of Trustees thanks everyone who attended the Foundation's Donor Appreciation Reception. What an amazing opportunity it was to hear directly from Foundation grantee patients about the difference AAPD Foundation support has made in their lives. Through the generous and sustained support of AAPD members, the Foundation has provided more than \$7 million to 153 programs serving under and uninsured children across America. The evening was especially exciting when not one but two original paintings by the Academy's own artist, Publications Coordinator Ken Berry, were auctioned off in support of the Foundation's mission of ensuring access to care for all children.

President's Reception and Farewell Dinner

Coasterra set the scene for an amazing night full of celebration, food, laughter and love...and dancing!!!

Reception to celebrate Drs. Kevin Donly and Jessica Lee sponsored by Align Technology, Inc. President's Farewell Reception sponsored by MedPro/Treloar & Heisel.

AAPD 2022 Recognition Awards

The AAPD board of trustees wishes to recognize those going above and beyond in our profession and in our community. Congratulations to our 2022 recipients!

Sponsored by Elevate Oral Care

It was with great pleasure that the AAPD Foundation presented the first ever Dr. Beverly A. Largent Access to Care Innovator Award during the Foundation's Donor Appreciation Reception. Congratulations to Dr. Vineet Dhar, B.D.S., M.D.S., Ph.D., on being the first to earn this honor.

AAPD 2023 Submission Deadlines

Orlando May 25-28, 2023

SEPTEMBER 12, 2022: LEARNING LABS, MINICLINICS, STRING OF PEARLS

JANUARY 16, 2023: GRADUATE STUDENT RESEARCH AWARDS (GSRA), MY KID'S DENTIST & ORTHODONTICS RESEARCH POSTER COMPETITION

If you are interested in making a presentation at the AAPD 2023 in Orlando, Fla., please visit the AAPD website at <http://www.aapd.org> for Learning Labs, International Oral Presentations, MiniClinic or String of Pearls submission form. For additional questions, contact Rachael Haave at rhaave@aapd.org.

You must be an AAPD member in good standing and must be registered for the meeting in order to present at AAPD 2023 (*only exceptions – if presenting an International Oral Presentation*). The AAPD will strictly adhere to these guidelines. All submissions and abstracts must be complete in order to be considered for a session at AAPD 2023, GSRA or a Poster.

Please find a description of each course type below to assist you when submitting for AAPD 2023.

LEARNING LABS

Lead an hour-long interactive presentation on a topic of interest to pediatric dentists (50 minute presentation with 10 minute Q&A). Share your idea with up to 25 colleagues in a smaller setting. AV is available for use during Learning Labs, but the session should focus more on discussing the topic with your attendees. One Learning Lab will be held every hour from 8 a.m. – 5 p.m. on Friday, May 26, and Saturday, May 27. (*One hour time commitment per speaker*)

MINICLINICS

Miniclinics sessions consists of eight speakers, each with a 45-minute presentation to a larger audience, based on a clinical topic geared toward pediatric dentistry. Areas of interest include early malocclusion management, clinical techniques using new technologies, legal issues, practice management and new developments in pediatric dentistry.

STRING OF PEARLS

A 15-minute presentation per speaker, up to nine presentations per session. In this format, each presenter will bring a single idea or concept and will share it with the group. These little “pearls” provide members with a wealth of information that often can be utilized immediately. Keep your presentation focused on the topic and allow for a question or two from the audience!

INTERNATIONAL ORAL PRESENTATIONS

A 15-minute opportunity with a 10-minute oral presentation and five minutes for questions from the audience. In this format, each presenter will bring a single idea or concept and will share it with the audience. You must be an international pediatric dentist to present during this session. Keep your presentation focused on the topic and be sure to allow time for questions.

Research Awards

MY KID'S DENTIST & ORTHODONTICS RESEARCH POSTER COMPETITION

All presenters must be registered for the AAPD 2023. If you are a pediatric dentist, you must be a member of the AAPD to present in the research competition. The research competition will take place on Friday, May 26, and Saturday, May 27, 2023, at AAPD 2023 in Orlando. **Applications are due Jan. 16, 2023.**

GRADUATE STUDENT RESEARCH AWARDS (GSRA)

Up to eight finalists are selected to present their research at AAPD 2023 in May. Finalists receive travel to AAPD 2023, complimentary registration for themselves and a guest, and a cash award and plaque at AAPD 2023. A matching cash award is given to each finalist's training program. The recipients are asked to present their research at AAPD 2023. **All applications and research abstracts must be submitted by Jan. 16, 2023.**

Welcome New Members

The AAPD would like to welcome new members. We look forward to supporting your professional needs. For further information on membership benefits please contact Membership Department at (312) 337-2169 or membership@aapd.org.

Member Benefit Spotlight Get Chatting

Shared Interest Groups - Little Teeth Chat: AAPD's Online Member Community

Have you started chatting? Jump in and ask a question. The Shared Interest groups are intended to promote conversations and meaningful dialog among members to shape the scope of pediatric dentistry. We know the value that AAPD members put on networking and educational opportunities we provide through our Annual Session and programs throughout the year. The SIG Chairs can bring important issues to AAPD Leadership. This is a private Members' only group that is safe and secure.

Topics include:

- | | |
|---|---|
| Caries risk assessment | Residency program management |
| Behavior guidance | Sports Dentistry |
| Fluoride therapy (including SDF) | Practice management, including:
Coding |
| Restorative techniques | Finances |
| Sedation/anesthesia | Marketing |
| Children with special health care needs | Patient and family dynamics |
| Oral Pathology/Oral Medicine | Staffing (officer managers, dental hygienists, dental assistants, etc.) |
| Hospital-based practice | Associates and partnerships |

Access to Little Teeth Chat can be accessed through the AAPD website or littleteethchat.aapd.org. For questions please contact Senior Membership and Chapter Relations Director Suzanne Wester at swester@aapd.org.

2023 Membership Directory Reminder

Your *Membership Directory* address is printed on your membership dues invoice that was recently mailed to you. Any changes or updates to your *Membership Directory* information are due to the headquarters office by **Sept. 15, 2022**. You can verify your address on your annual dues invoice or visit the *Members' Only* section of the AAPD Website (www.aapd.org) to update your profile. Please take a few moments to verify your address information to assure that AAPD has it correctly.

You may opt out of receiving a printed *Membership Directory* on your AAPD Membership Profile under '*Preferences*' or contact us at membership@aapd.org.

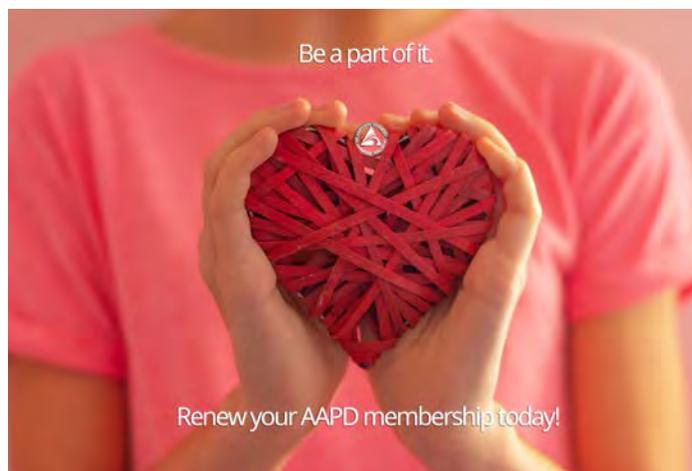

AAPD Membership Renewal

Dues period is July 1, 2022– June 30, 2023

Membership Category	Annual Dues	Outside U.S.*
Active	\$690	\$690
Life	\$345	\$345
Affiliate	\$345	\$385
Associate	\$345	\$386
International	N/A	\$386
Active 2nd year	\$345	\$345
Active 3rd year	\$345	\$345
Friends of AAPD	\$345	\$345
Allied	\$172	\$172
Retired	\$0	\$0
Post Doctoral Student	\$0	N/A
Pre Doctoral Student	\$32	N/A
International Student	N/A	\$30

*Associate and Affiliate members residing outside the United States pay a \$35 annual postage assessment.

If you have any questions, please contact Membership and Marketing Coordinator Lee Gonzalez at (773) 938-4473 or membership@aapd.org.

Dues must be received by Oct 1, 2022, and are payable by check, Visa, MasterCard and American Express. Membership privileges will be suspended until full payment of dues is received and your listing will be omitted from the 2023 *Membership Directory*.

In keeping with the IRS, non-profit organizations are required to notify members that a portion of their dues payment is applicable to lobbying expenses and therefore not deductible as a business expense. (This is printed on the dues invoice.) The AAPD has determined that the following amounts are not deductible as a business expense for 2022– 23:

Active	\$99
Associate, Affiliate, Life, Friends	\$50
All other membership categories	\$0

Attention: Class of 2022!

The AAPD congratulates all June postdoctoral graduates on their commencement into the profession. We would also like to remind you about the many reasons why membership in the AAPD is so important, especially at this point in your career.

- *Free* transition from student to active membership. This applies only if you complete an active membership application and return it to the AAPD headquarters office prior to Dec. 31, 2022.
- To be listed as an Active Member in the printed 2023 Membership Directory applications must be received by **Sept. 1, 2022**. Membership applications are available at www.aapd.org.
- Recent graduates are afforded one year dues-waived and two years of reduced membership dues at 50 percent off the full active membership dues rate if they have maintained continuous membership.

Transition from student membership to active membership is not automatic. **Student members must submit application and a copy of their pediatric dentistry certificate to the AAPD office.**

Program directors may send a list of graduating residents to verify the completion their program to our office to membership@aapd.org and AAPD will automatically update their membership status to Active. Otherwise, the student must send in an application with certificate. For questions regarding student to active membership, please contact AAPD Membership department (312) 337-2169 or email membership@aapd.org.

THE SUCCESS STORIES OF THE UNIVERSITY OF COLORADO'S AAPD STUDENT CHAPTER

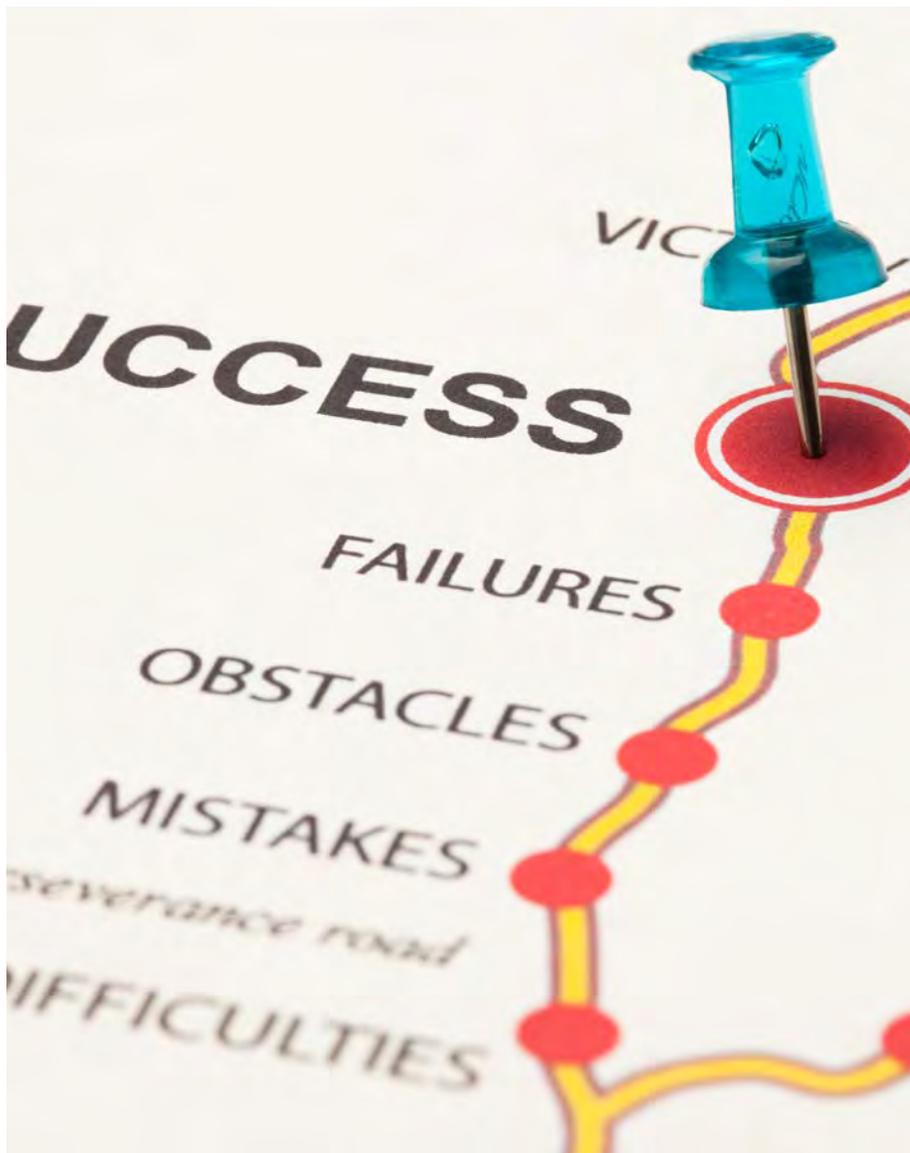

The American Academy of Pediatric Dentistry Student Chapter (AAPD-SC) at the University of Colorado School of Dental Medicine (CUSDM) was challenged with the toughest obstacle,

the COVID-19 pandemic! Despite the numerous challenges, the AAPD-SC at CUSDM has successfully implemented a series of educational and networking events for dental students interested

in pursuing careers in pediatric dentistry. All the events were coordinated to allow engagement and participation with the safety of our community in mind.

“The greater the obstacle, the more glory in overcoming it.” Moliere

The educational series organized by our chapter titled, “How to Get into the Residency of Your Dreams” provided valuable information to help students kick-start their quest. Dr. Elizabeth Shick, Associate Professor of Pediatric Dentistry, led a workshop and provided insights on how to prepare a resume and personal statement. During the workshop future applicants had the opportunity to receive valuable feedback on these important application materials. The second event in this series centered on discussing what pediatric dental residency programs are looking for in applicants. During this event, Dr. Chaitanya Puranik, Director of Predoctoral Education in Pediatric Dentistry at Children’s Hospital Colorado, provided the candidates with all the action items to strengthen their applications, increase their chances of receiving interview invitations, and eventually match to their desired program. The third lecture of the series was a panel of fourth year students at CUSDM that applied to pediatric residency programs. The panel answered questions and gave practical advice on the PASS application, interview process, and experience with the MATCH system. The following session was “Do’s and Don’ts of Interview” facilitated by the first- and second-year pediatric

dentistry residents from the Children's Hospital Colorado's Pediatric Dentistry residency program. This session also provided attendees the opportunity to learn more about the experiences of pediatric dentistry residents.

The last session involved in-person and online mock interviews. This session was the highlight of the series and was facilitated by our own fourth year dental students who completed their residency interviews. The one-on-one mock interviews with prospective applicants was a wonderful experience and was highly appreciated by the AAPD-SC members and participants.

The AAPD-SC at CUSDM also facilitated an environment for members to learn key topics in the field of pediatric dentistry. We have invited content experts to give presentations on topics including but not limited to infant oral health programs and treating patients with special needs. We also host monthly meetings for our Pediatric Book Club, a great way for members of our organization to read and discuss current events in the field of pediatric dentistry. We have also organized various community and outreach activities which have followed the social distancing protocol during the pandemic. The experience has been enriching, and our efforts paid off as 100% of CUSDM students matched to the pediatric program of their choice. The AAPD-SC at CUSDM hopes to continue these activities during the coming years. We are positive that our members will be successful and responsible pediatric dentists, spreading smiles in their communities!

AAPD-SC President: Katlyn Barlowe, B.S.

AAPD-SC Past-President: Justine Gullia, D.D.S.

AAPD-SC Faculty Advisor: Dr. Chaitanya Puranik, B.D.S., M.S., M.Dent.Sci., Ph.D.

2022 AAPD Resident Recognition Awards

The AAPD Pediatric Dental Resident Committee developed the "Resident Recognition Award" to recognize pediatric dental residents doing innovative and interesting activities in their training programs. Selected residents are awarded with a monetary prize \$200.

Winners are chosen based on activities during residency that contribute to one or more of the following fields: patient care, education (i.e., teaching), research, and community service. Innovation, time commitment, and significance of service to others are the primary factors considered in the selection process.

Drs. Christina Nuñez and Alex Sheen Awarded 2022-2023 Harris Fellowship

Christina Nuñez, D.D.S., M.P.H., is a 2020 graduate of Columbia University's College of Dental Medicine and School of Public Health where she pursued a dual degree DDS/MPH as a HRSA Predoctoral Primary Care Fellow for Underserved Children. She is currently completing her pediatric dental residency program at the University of Illinois-Chicago

where she is synchronously working toward a Master of Science in Oral Sciences and a certificate in Public Health Geographic Information Systems. Her Fellowship project plans to analyze available national data to elucidate the relationship between adverse childhood experiences and oral health outcomes in an effort to explore potential avenues to understand and eliminate oral health disparities, as well as positively impact oral health-related quality of life.

Alex Sheen, D.D.S., is a graduate of Columbia University College of Dental Medicine and completed his pediatric dentistry residency training at the University of Pittsburgh Medical Center, Children's Hospital of Pittsburgh. Currently he serves as a Clinical Assistant Professor in the Department of Pediatric Dentistry at New York University College of

Dentistry and is enrolled at Columbia University Mailman School of Public Health where he is earning his Master of Public Health degree. His Fellowship project plans to describe the current state of quality measurement activities in a variety of payer groups in pediatric oral health care and provide an update to the Centers for Medicaid and Medicare Services Guide to Children's Dental Care in Medicaid (2004).

The Samuel D. Harris Research and Policy Fellowship, sponsored by Preventech, creates an opportunity for pediatric dental residents and individuals in their first five years post-residency to participate in oral health policy research on critical issues impacting children's oral health.

From left to right, Drs. Jeannie Beauchamp, Alex Sheen, Paul Casamassimo, Christina Nuñez.

New Study Seeks Your Opinions on Novel Approaches to Caries Management

Are we doing all we can to manage Early Childhood Caries? The AAPD is partnering with Columbia University to learn how pediatric dentists manage Early Childhood Caries and counsel families about caries prevention. As an active AAPD Member, you may be contacted for a 45-minute Zoom interview. In appreciation of your time you will receive a \$150 VISA Bank Card.

This NIH-funded study aligns with AAPD's policies and guidelines on Early Childhood Caries management, specifically the policy on "Unique Challenges and Treatment Options for Early Childhood Caries" calling for more emphasis on prevention and arrestment of the disease process.

We welcome your thoughts to inform the AAPD and its members about stronger preventive efforts for the oral health of children. Watch for your survey invitation in your inbox, and thank you in advance for your participation.

Safety Committee Update

Safety Spotlight in Pedo Teeth Talk AND Newly Erupted. Did you know that you can find really interesting interviews on a wide range of safety topics featured on Pedo Teeth Talk and Newly Erupted, the AAPD's podcasts for pediatric dentists? In the latest interview Dr. Joel Berg talks with Dr. Alexandra Otto, practice owner of Kids Tooth Team, about her decision to make safety her practice's #1 core value. Check out this great interview and others from the 2021-22 recording year at https://www.aapd.org/education/pedo-teeth-talk/aapd_podcasts/ and <https://www.aapd.org/education/newly-erupted/>

Safety Program Focuses on Wellbeing at AAPD Annual Session. This year's Annual Session offered an interactive and engaging presentation by Jeremy Segall, Chief Wellness Officer of NY Health & Hospitals guided by his program "Helping Healers Heal: Resiliency Resources for Now, Later and Long Term". This session focused on raising awareness of the state of wellbeing in pediatric dentistry and easy steps to take to bring wellness into your dental practice. Materials are available if you are interested in using the Helping Healers Heal model for your facility. Scan the QR code below to access materials to help your program get off the ground!

PURPOSE + POSITIVITY + PEOPLE = RESILIENCE

New Evidence-Based Dentistry Website

The AAPD Policy and Research Center is ready to share the brand-new Evidence-Based Dentistry Website. This website was showcased throughout the AAPD Annual Session and is the virtual hub for all things Evidence-Based Dentistry at AAPD.

On this page, you will find resources for how to get started in EBD work, such as developing PICO questions, systematic review questions to consider, guides on using PubMed/Medline, and a list of core resources to use in dentistry.

To visit this page, go to the "Research" section of the AAPD website and click on "Evidence-Based Dentistry".

Evidence-Based Dentistry Update

SUZI SEALE COLL AWARD

Dr. Vineet Dhar was selected for the 2022 Suzi Seale Coll award.

PULP THERAPY

A draft of the primary tooth systematic review/meta-analysis is currently under review by the workgroup. Data extraction of articles is still ongoing for the permanent tooth vital pulp treatment.

BEHAVIOR GUIDANCE

The Behavior Guidance Workgroup will conduct a systematic review in conjunction with the clinical practice guideline. The systematic review is entitled "Non-pharmacological behavior guidance interventions in pediatric dental patients" and is estimated to be completed by mid-2023. The Clinical Practice Guideline is estimated to be complete in mid-2023.

The Behavior Guidance Workgroup is considering the development and distribution of a survey to understand the contemporary behavior guidance techniques used by AAPD members. This survey would not only provide useful data on provider preferences for a practical focus on the clinical guidelines but would offer a valuable informational report/article for members treating patients needing well-chosen behavior guidance techniques. Behavior Guidance Workgroup chose to collaborate on a survey with the Department of Oral Health Sciences at the University of Washington School of Dentistry on social/behavioral interventions for dental/orofacial pain. Survey results plan to be published in June/July 2022.

Insurance products offered separately through Treloar & Heisel, LLC.

EDUCATION AND CE OPPORTUNITIES

Oral Exam Review Course

AUG. 18, 2022

New York Marriott Downtown, New York, N.Y.

If you're serious about becoming a diplomate, this course could make the difference.

Presented by leading educators and clinicians, this course focuses on preparing the candidate to succeed in the oral portion of the board examination.

Participants will have the opportunity to be part of numerous mock examinations and will learn skills to deliver an impressive performance. Learn about the various domains contained in the American Board of Pediatric Dentistry examination, successful test taking techniques and how to be prepared for this type of high-stakes clinical examination. Additionally, participants will learn how to organize, remember and present pediatric dentistry information and literature.

Again this year, AAPD in collaboration with the College of Diplomates will be offering Mock Oral Review Interviews. This allows attendees to participate in a simulation of the oral interview with two examiners. At press time, Mock Interviews are sold out, but reach out to Colleen Bingle at cbingle@aapd.org to be put on the wait list.

SPEAKERS

Henry Fields, D.D.S., M.S., M.S.D.

Timothy Wright, D.D.S., M.S.

WHO SHOULD ATTEND

Those preparing to take the American Board of Pediatric Dentistry's Oral Clinical Examination.

CE HOURS

8 hours

Sponsored by College of Diplomates

The New Comprehensive Review: Advances in Pediatric Dentistry

AUG. 19-21, 2022

New York Marriott Downtown, New York, N.Y.

Taught by expert clinicians, The Comprehensive Review provides attendees with an extensive overview of the latest in evidenced-based pediatric dentistry. This course focuses on the cutting edge of clinical science topics and the application of state-of-the-art therapies into your daily practice. This course covers topics including: interceptive orthodontics and space management, caries assessment and prevention, behavior guidance, oral pathology, care for patients with special health needs, oral-facial trauma, pulp therapy and the latest in pediatric restorative dentistry and materials. The topics are covered using an evidence-based approach with interesting case presentations and open question/discussion forums to wrap up topical areas.

COURSE CHAIR AND SPEAKER

Amr Moursi, D.D.S., Ph.D

SPEAKERS

Catherine Flaitz, D.D.S., M.S.

Christina Carter, D.M.D.

Timothy Wright, D.D.S., M.S.

CE HOURS

22 hours

Sponsored by NuSmile

WHO SHOULD ATTEND

Pediatric dentists, residents and general dentists

More specifically:

- Pediatric dentists preparing for the ABPD Oral Clinical Examination ("Oral Board")
- Pediatric dentists preparing for ABPD recertification
- Pediatric dentists who want a refresher, as well as relevant, exciting case presentations
- General dentists who treat pediatric patients
- Residents who want a more in-depth understanding of the incorporation of evidence-based clinical science into clinical practice

Note: Those preparing for the ABPD Qualifying Examination ("Written Board") are encouraged to take the AAPD Qualifying Examination Prep course.

Safe and Effective Sedation for the Pediatric Dental Patient

OCT. 7-9, 2022

Omni Atlanta Hotel at CNN Center, Atlanta, Ga.

This course features recognized leaders in the field, both in dental anesthesia as well as pediatric dentistry. You'll find didactic lectures, case studies, film clip sessions, panel discussions and hands-on breakouts with personalized attention. There will be dedicated forums to ask questions and talk about specific issues with course faculty, discuss techniques for effective communication with the patient and parent to address unusually challenging and complex situations. This course will offer opportunities to gain hands-on experience while learning airway techniques to rescue patients and will include breakout sessions with manikin practice with face masks, ambu bags and the insertion of nasal and oral airways; all in a personalized setting with real equipment and monitors.

COURSE CHAIR AND SPEAKER

Stephen Wilson, D.M.D., M.A., Ph.D.

COURSE VICE-CHAIR AND SPEAKER

Bobby Thikkurissy, D.D.S., M.S.

SPEAKERS

Cara Riley, D.M.D.

Scott Papineau, D.D.S., PharmD

WHO SHOULD ATTEND

Any dentist who sedates children in their office and wants to be taught by the leaders in the field who wrote the current AAPD-AAP Guidelines.

CE HOURS

22 hours

Dental Assistant Sedation Course: Your Role in the Safe Sedation of Children

OCT. 7-8, 2022

Omni Atlanta Hotel at CNN Center, Atlanta, Ga.

This one-and-a-half day course is specially designed for the pediatric dental assistant to enhance their knowledge and understanding of sedation emergencies and other emergent medical conditions in the office. An introduction to oral sedatives and using nitrous oxide/oxygen sedation will be included. Participants will learn how to organize and prepare the office for an organized response to a medical emergency and how to assist in the management of medical and sedation emergencies.

On Saturday morning, there is a hands-on workshop that allows training for the dental assistant. Participants will rotate through the multiple stations to include airway management; airway equipment; and monitor placement.

COURSE CHAIR AND SPEAKER

Bobby Thikkurissy, D.D.S., M.S.

SPEAKERS

Stephen Wilson, D.M.D., M.A., Ph.D.

Cara Riley, D.M.D.

Scott Papineau, D.D.S., PharmD

WHO SHOULD ATTEND

Those on the dental team involved with the sedation of children in their office.

Joint Symposium of AAPD and the Faculty of Dentistry RCSI

SAME PROBLEMS, NEW DIRECTIONS

OCT. 28-29, 2022

(PRECONFERENCE COURSES OCT. 27)

Royal College of Surgeons in Ireland, Dublin, Ireland

Following a couple of very challenging years for many of us, October 2022 will be a unique and special occasion to attend when AAPD working closely together with the FoDRCSI, in a true transatlantic alliance, building on our friendship and common academic endeavors, bringing this special quality face-to-face program to colleagues from both sides of the Atlantic.

Attendees will not only enjoy the quality scientific presentations and academic collaborations, but also the splendid and unique generosity, warmth and hospitality Ireland has to offer in so many ways.

The team from AAPD along with their counterpart from the RCSI Scientific Committee have put together an excellent line up of speakers presenting different themes highlighting, the clinical challenges for pediatric and even adult patients, and of course contemporary solutions and directions which dentistry in 2022 and beyond is evolving and advancing for the benefit of our patients.

For more information or to register, visit <https://asm.facultyofdentistry.ie/>.

2022 Joint Academic Day

AAPD MEDICAL & DENTAL INTEGRATION ADDRESSING SOCIAL DETERMINANTS OF ORAL HEALTH

Over 200 academics met on Wednesday, May 25, for the 2022 Joint Academic Day, in San Diego, Calif. The combined morning session, for pre- and post-doctoral program directors, featured discussions addressing: Structural Racism—Impact on Childhood Health and Care, Applications from Behavioral Science to Adolescent Oral Health Promotion, Kids, COVID Vaccination, and What We Can Do Together, Integrated Electronic Medical and Dental Records, and Entrustable Professional Activities' (EPAs) for Pediatric Dentistry.

Academics working in pre- and post-doctoral education then broke out for individual sessions in the afternoon and discussed: Technology on Telehealth /Teledentistry, and Safety and Quality (post docs), Problem-based learning, Paradigm Shift in Behavior Management, and Preparing Recommendation Letters (pre docs).

Additionally there were HRSA Recipient's Round tables for both pre- and post-docs following the main program.

Presentations from the day are available on the annual session website and app. If no presentation and/or handouts are posted, that means the speaker(s) opted out of sharing their presentations.

For further information, please contact the Education Development and Academic Support Manager Leola Royston at (312) 337-2169 or lroyston@aapd.org.

Legislative, Regulatory and Legal Update

Pediatric Oral Health Advocacy Conference in Washington, D.C., Promotes Key Legislative and Regulatory Issues

On March 14-15, 2022, over 250 AAPD members from 35 states plus D.C., advocated for children's oral health in Washington, D.C., by visiting with their members of Congress. AAPD attendees included members of the Council on Government Affairs, PAC Steering Committee, and Executive Committee. Twenty-six AAPD state Public Policy Advocates participated as well.

Forty-six pediatric dentistry residency program sites were represented, with over 160 residents in attendance. In addition to a briefing session the prior day (March 13), the AAPD also held advocacy orientation and training session solely for residents. An AAPD PAC appreciation reception was held on Monday evening March 14, to raise money for the PAC.

The specific advocacy requests made by attendees during Capitol Hill visits were:

HRSA TITLE VII PEDIATRIC DENTISTRY APPROPRIATIONS AND DFLRP TAX RELIEF

- Provide FY 2023 funding of \$46 million for the HRSA Title VII Primary Care Dental Training Cluster and related oral health programs, with not less than \$14 million for Pediatric Dentistry Training programs including continuation of a preference for pediatric dental faculty in the Dental Faculty Loan Repayment Program (DFLRP).

On April 27, 2022, a Congressional Dear Colleague Letter signed by 33 House members in support of FY 2023 funding for Title VII pediatric dentistry was sent to the Chair and Ranking Member of the House Appropriations Subcommittee on Labor, Health and Human Services, Education and Related Agencies. For the sixth straight year, this effort was led by Congresswoman Julia Brownley (D-Calif. 26th).

- Pass legislation to make DFLRP non-taxable to recipients. Co-sponsor S. 449/H.R. 1285.

ENSURING LASTING SMILES ACT

- Support passage of the Ensuring Lasting Smiles Act (S. 754/H.R. 1916) legislation that would require all private group and individual health plans to cover the full medically necessary treatment of patients with congenital anomalies, including related dental procedures.

ELSA is supported by a coalition of 62 dental and medical provider and patient advocacy organizations.

On April 4, 2022, ELSA was approved by the U.S. House of Representatives on the suspension calendar by a 2/3 vote. The bill now moves on to Senate consideration. Thanks to strong bi-partisan support, the Senate bill currently has 40 co-sponsors.

ACCESS TO OPERATING ROOMS FOR PEDIATRIC DENTISTS

- Contact the Centers for Medicare and Medicaid Services (CMS) and ask that the agency move forward this year to address severe oral health disparities affecting certain children and adults, particularly the disabled and those with special health care needs. CMS needs to do two things: set up a new billing code for use by hospitals to improve access to covered dental rehabilitative services and propose in the CY 2024 Hospital Outpatient Proposed Rule (HOPPS) rule that ambulatory surgery centers also be permitted to bill for dental rehabilitative services.

Congress Writes CMS In Support of Improved Dental Operating Room Access

The AAPD secured a bi-partisan Congressional Dear Colleague Letter (DCL) that was sent to the Administrator of the Centers for Medicare and Medicaid Services (CMS) in support of our efforts to obtain a HCPCS facility fee code for dental cases. This was due to Congressional visits that AAPD members made on March 14-15, 2022, as part of the Pediatric Oral Health Advocacy Conference. The DCL was led by Congresswoman Terri Sewell (D-Ala.7th) and Congressman/dentist Drew Ferguson (R-Ga.3rd). The AAPD applauds their leadership on this critical issue. The final letter included 25 House members and was sent to CMS on May 18, 2022. You can view the letter and more information on the issue under Latest Advocacy News under the Advocacy tab on the AAPD website.

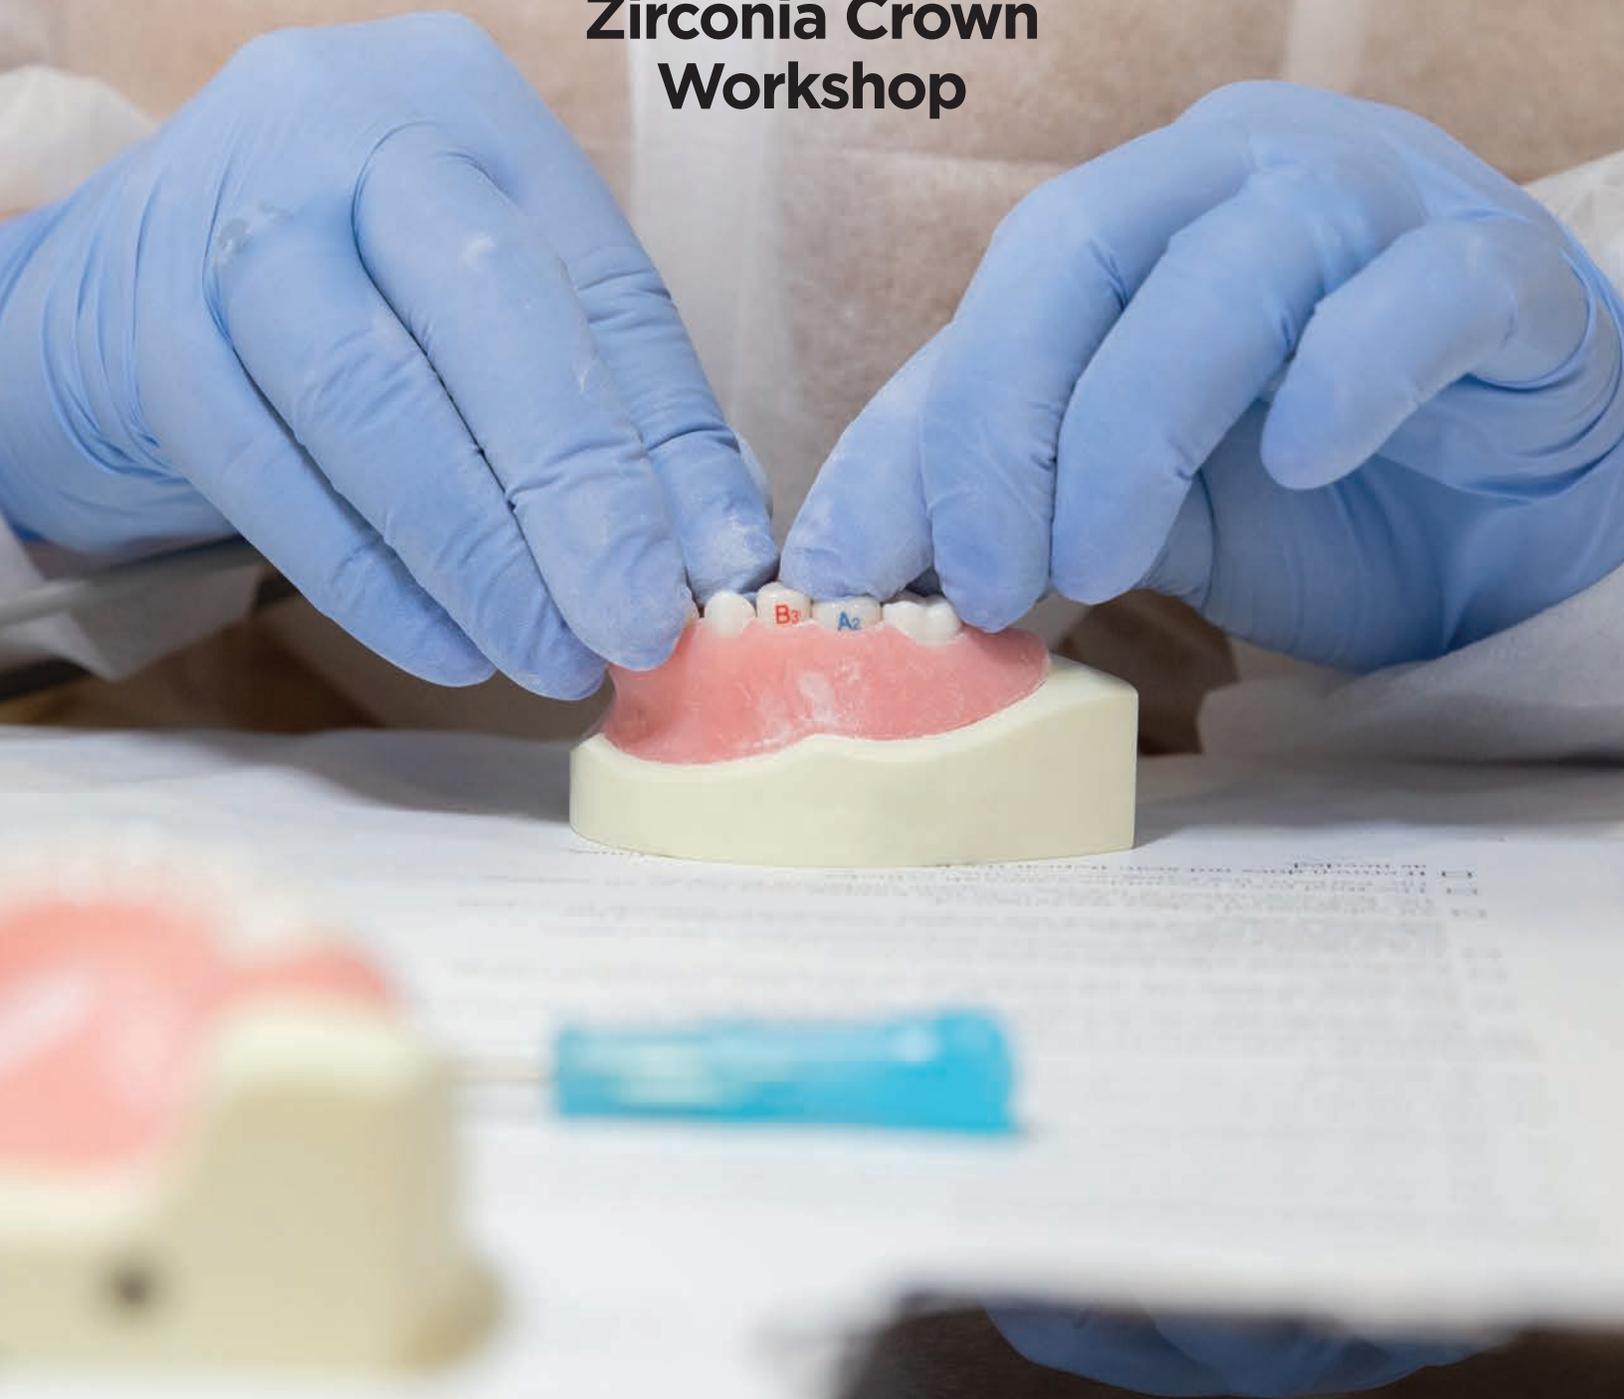

Pediatric Oral Health Advocacy Conference

On March 14-15, 2022, over 250 AAPD members from 35 states plus D.C., advocated for children's oral health in Washington, D.C.

Invisible Dental Support Organizations

(IDSOs) become your silent partner by purchasing 51% to 90% of your practice for cash now. You retain ownership at the practice and/or parent level and continue to lead your practice for years or decades with your brand, team and strategy.

Big Opportunity for Great Doctors

An IDSO will provide resources to help your practice grow bigger, better, faster. Support can include recruiting, marketing, lower costs and higher reimbursement rates. You are not micromanaged. The potential increase in value in your retained ownership can be stunning. Some doctors in 2021 achieved gains of 3x, 5x and even 10x+. You should understand this option.

Seeking Pediatric Dentists

ALASKA—JUNEAU. Adventure is calling! Juneau Pediatric Dentistry is looking for a skilled Associate Pediatric Dentist for Juneau and Ketchikan, Alaska. We are looking for doctors who are kind, patient, and understanding to patients, parents, and staff. Our philosophy is to create an environment of unity and teamwork while encouraging the autonomy necessary to increase your skills as a Pediatric Dentist. Our schedule is thoughtfully organized, allowing for sufficient time to interact with parents and patients without feeling rushed. ARIZONA—GOODYEAR. At Palm Valley Pediatric Dentistry & Orthodontics, we're looking for full time (4-5 days/week), for a Pediatric Dentist to join our exceptional team of specialists in the Phoenix Metro area. We seek dedicated exceptional clinicians who want to grow professionally and personally. All of our dental specialists are trained to work specifically with children as young as age one and those with special needs. Our team understands that going to the dentist can be stressful on children, which is why we take the time to clearly explain in friendly, simple language how treatments will be carried out. If you are looking for a fun and rewarding career, you have come to the right place. We offer employment opportunities that promote professional, personal, and financial growth. We work extremely hard to provide our employees with continuous professional development and a supportive work environment. Competitive wages, great benefits, and opportunities for advancement are just a few reasons why a career with us is an investment in your future; make Palm Valley Pediatric Dentistry & Orthodontics your employer of choice. At Palm Valley Pediatric Dentistry & Orthodontics, we ensure that each and every child receives individualized attention. Whether it is a first visit, regular check-up or an orthodontic appointment, it is our goal to make each patient leave with a smile. At PVPD we don't just accept differences, we celebrate them and recognize the value this brings to our patients and employees. Our practice is proud to be an equal opportunity workplace. Equal opportunity and consideration are afforded to all qualified applicants and employees. We won't discriminate on the basis of gender identity or expression, race, ethnicity, religion, national origin, age, gender, marital status, physical or mental disability, Veteran status, sexual orientation, and any other category protected by law. Our team is best characterized by the relationships we have with

our patients and each other. We embrace collaboration which is necessary to innovate in today's changing world of dentistry. Our culture encourages participation, diversity of thought, innovation, and strong execution. In addition, we offer an outstanding compensation package including: highly competitive salary + 401k, medical insurance, opportunity for those seeking a long term home. We foster a patient friendly environment and provide you with all the resources needed to deliver outstanding patient care. Contact us to find out more before making your next career move. Arizona License to Practice Dentistry is required. For more information please contact odolghier@gmail.com.

ARIZONA—PEORIA. Established private pediatric specialty practice in the growing area of Peoria, Arizona is seeking a pediatric dentist who love to treat children with their excellent clinical and behavior management skills. Owner dentist, with over 20 years of dental and leadership experience, will provide mentorship that will help you exceed your current skill sets and productivity. Our entire team is dedicated to our strong culture and proudly share the same vision, goal and purpose. We pride ourselves in providing the best dental care and excellent customer service. This is evident with our 5 stars online reviews at www.peoriappd.com. We are interested in doctors with long-term relationship to our practice and in return we offer profit sharing, health insurance, professional liability insurance and continuation education allowances. We prefer graduates from a U.S. accredited post-doctoral program in pediatric dentistry with a minimum of 1 year working post-dental school. However, we encourage all new graduates to apply. For more information please contact drtran@peoriappd.com.

ARIZONA—PHOENIX/SCOTTSDALE. Part-time / Full-Time Pediatric Dentist position available. Looking for a hard working and highly skilled pediatric dentist for a busy private practice. CALIFORNIA—SAN DIEGO. We are looking for an outstanding pediatric dentist to join our practices in San Diego. We invite applications from team players who can provide compassionate care for our patients. We are an established practice with well trained staff

that help run a smooth busy practice. We constantly upgrade our technologies and have the Solea, LightWalker and LightScalpel lasers in our office. We also have a CBCT unit to assist with complex cases. Our office offers treatment with oral conscious sedation, GA in office and at Rady Children's Hospital, in addition to all the routine modalities of care for our patients. Come join our fun team! Please send resumes to dr.dabir@sunnysmilez.com. Requirements: D.D.S./D.M.D. or international equivalent, 2 years post graduate certificate in Pediatric Dentistry from an ADA accredited program and Current license to practice dentistry in California.

COLORADO—DENVER. Seeking an associate who is energetic, compassionate, and passionate with a desire to be on the forefront of dentistry. We are a highly sought out and education based Fee For Service CO2 laser frenectomy/frenuloplasty practice in Denver helping to pioneer this field. We are helping mothers and babies bond and breastfeed, children with feeding and speech issues, and all with better airways. If interested, please email your resume and interest to DrJesse@ColoradoTongueTie.com. We assume candidates will have minimum exposure to frenectomies and frenuloplasties and expect to train.

COLORADO—DENVER. Looking for a great pediatric dentist to join our dynamic team. We have great dentists and amazing team members all around. You must care about what you do, have strong work ethic and want to excel as a clinician and succeed economically. This job is for someone that wants to grow, wants to be pushed, wants to become the best pediatric dentist in the city. You don't have to know everything to join our team, but if you are driven and want to learn we can help you do that. If you are willing to work hard and help everyone around you succeed, we will make you succeed in return. Our motto is "we rise together", we don't need egos, don't need pride, don't need holier than thou attitudes. We want people who love being a pediatric dentist and are willing to put in the equity that will provide the best reward. If you are interested contact us and we can discuss our team, what we can bring to you and we want you to bring to us. Full time position, flexible schedule, mentoring both on the clinical and administrative side of dentistry, ownership potential available, unlimited growth potential and the best compensation package in Denver. Requirements: Completed Pediatric Residency Program, ABPD Board Certified or Board Eligible, Team Player and Live or Relocate to the Denver Metro area. For more information please contact admin@grinpediatricdentistry.com.

COLORADO—FORT COLLINS. Are you looking for a dream community surrounded by great outdoor activities? Fort Collins, CO, is consistently ranked as one of the best places to live. Our growing privately-owned pediatric

dental practice is looking for a great doctor to join us in our beautiful Fort Collins office. We enjoy a vibrant downtown with great restaurants. There are lots of great hiking, camping, fly-fishing, hunting, and outdoor activities nearby. When you want a bigger city, Fort Collins is a quick drive to Denver, perfect for attending a show at the Buell theater, a concert at Red Rocks, or catching a Broncos game. Denver is also a great jumping off point to multiple fun destinations from its beautiful international airport. Our office is focused on providing patient-centered clinical care in a fun environment, maintaining a great team dynamic, and rewarding a strong work ethic. We strive to create a work family of long-term team members. We are looking for a candidate to join this work family who is hard-working, energetic, and focused on treating each one of our kids to the highest standards of clinical care. This opportunity offers a great balance of autonomy, work/life balance, and space for mentorship. We maintain block time at our local surgery center. We treat each child in the way we feel will give them the best chance of having the most positive experiences possible. This position can be full time or part time. Both new graduates and experienced providers are welcome to apply. Let's talk! <http://www.kidsfirstfc.com>.

CONNECTICUT—BOZRAH. Children's Dental Associates of New London County, PC is a privately-owned practice offering pediatric services to Southeastern Connecticut. We offer an excellent opportunity for a compassionate, ethical, pediatric dentist looking for an associate position leading to partnership. This well respected group practice is located in four locations within a 25 mile radius in up-to-date modern facilities with great visibility. We have an experienced, caring team devoted to providing high quality preventive care, and exceptional patient service. Our offices are located halfway between Boston and NYC close to the railway. This is a great opportunity to become part of our successful, well respected, quality based practice that has been in business for more than 40 years. INDIANA—FISHERS. Who we are: Welcome to the Fishers Pediatric Dentistry family! We are a rapidly growing, privately owned pediatric practice located in Fishers, IN, a flourishing suburb outside of the Indianapolis area. Here at Fishers Pediatric Dentistry, we aim to provide the highest level of compassionate, ethical and quality care to our patients. Our

beach-themed office provides an inviting and memorable experience for our families, laying down a foundation for a life-time of happy dental visits. With 17 chairs and several different treatment settings, we are able to cater to everyone's individualized needs. We are looking for a self-motivated, highly energetic, long-term associate who can bring their own talents, creativity, and ideas to our team of aces! Why us: We are growing and we need you (avg 185 new patients per month). You will never be alone - working with a seasoned team of 4 doctors, 10 hygienists and 28 assistants, you will always be empowered. We value a healthy work-life balance - Monday-Thursday (no Fridays or weekends). We love to have fun and play! (our #1 core value - want to experience first-hand? come visit). We face challenges together, win together, and do amazing things together. We take pride in turning a profession, into a passion. We embrace change - we try new things, learn from them, and execute again. Our team is cohesive and our company culture is unified. Our systems are documented, polished and perfected. We promote autonomy and encourage happiness. We welcome and embrace diversity. No travel - all of this greatness is at one location. Actively involved in the community. What we believe & deliver: We place large emphasis on creating a positive experience for every patient. We treat every patient as if they are the only patient in the room. We pride ourselves with behavior management techniques to ensure delivery of a top-notch experience. State-of-the-art equipment: Isodry system, digital x-rays, paperless office, N2O. Provide OR services for treatment under GA. We deliver and educate on a level that parents and children can understand. Why you: Do you have a desire to elevate your dental profession and want to join a winning team? If yes, this is the perfect opportunity for you. Work Hard Play Hard is a commonly used phrase due to our bustling daily schedule. If you are highly self-motivated and have an unruly desire to succeed, you can work at your desired pace from day one with the potential to earn up to \$300k+ per year! Compensation is paid on a percentage of collections, and we pride ourselves in having an overall quick collection rate over 98%. Other benefits include paid CE as well as a 401K program. To learn more about this incredible opportunity, email Dr. Misti Pratt at drmisti@fisherspediatric.com or call (317) 698-3029. Requirements: Graduate of an accredited Pediatric Dentistry Residency Program. Active Dental License D.D.S./D.M.D., DEA Certificate.

MAINE—SCARBOROUGH. Private pediatric dental practice is seeking a full-time pediatric dentist to join a well-respected and established 2 location practice with a commitment to the community we serve. Our practice is

centered around providing the highest level of dental care to our patients and their families in a comfortable and friendly environment. We utilize a wide range of treatment modalities including an in-office pediatric anesthesiologist as well as local hospital operating rooms. We are seeking an enthusiastic, motivated, and patient oriented individual with great communication skills and a focus on a high standard of care. Live and work in what visitors refer to as vacation land. This is a very desirable area that is steadily growing. It offers an energetic pub and restaurant scene, shopping, great music venues, and endless outdoor activities given it's close proximity to the ocean, mountains, and lakes. The area has exceptional public and private schools with safe and family friendly neighborhoods. We are offering a competitive package that includes a guaranteed salary and a production bonus. Production bonus also includes hygiene services provided by registered dental hygienists. We also offer a complete benefits package. If interested, please respond to: justforkids.mccoy@gmail.com.

MARYLAND—ASHTON. Dentistry for Children of Maryland is looking for a pediatric dentist to work in our pediatric dental practice located in Olney, MD. We are looking for a doctor who shares our values and is passionate about helping children achieve a lifetime of great oral health! Come join our supported dental office, where we do just that; support pediatric dentists by bringing them cutting edge technology, a well trained support team, and an industry leading Quality Care Program. The practice is doctor owned and dedicated to our mission of raising the standard of children's oral healthcare! Our Pediatric Dentists Enjoy: Competitive Compensation package, working for a doctor owned practice and being able to focus on patient care, while other professionals handle the business aspects of running a practice (HR, Payroll, Marketing, etc.). We also offer clinical autonomy, work/life balance and the ability to invest in your future - full-time doctors have the opportunity to purchase equity. We provide malpractice insurance, Medical, Dental, Vision, PTO and 401K. Sign on bonuses offered! Current residents are encouraged to apply. Candidate Requirements: D.D.S./D.M.D. from an accredited university. Completion of residency from an accredited pediatric residency program. Active Dental Board License. Salary /Contract is negotiable Pediatric Specialty License for the state of Michigan. Requirements: Board Certified or Board eligible, BLS and PALS certified, Current C.V. For more information please contact kids1stdentistry@gmail.com.

MICHIGAN—MIDLAND. Pediatric Dentist Start-Up opportunity in Mid-Michigan! Looking to start-up your own pediatric dentistry practice from scratch? Design your own brand-new, state-of-the-art facility of your dream practice without paying for the real estate (land or building)? And fill the need in a great community as the only pediatric dentist in town? Let us help you! The practice will be located adjacent/connected to an existing, established orthodontic practice- with your own separate entrance. The orthodontist will soon be remodeling the existing ortho facility and would like to build-out to equip for a fully functioning and thriving pedo facility. You can design the pedo portion of the build-out to be exactly how you would like, but not be responsible for the mortgage! Once the build-out is complete, you will just have to pay a monthly rent. Want to get started ASAP? The existing ortho facility can be used 2-3 days per week

(on the non-patient days of the ortho practice) while the pedo facility is under construction. The best part of this opportunity is that it is in a great family-focused community with an exceptional public school system and stable job market (headquarters of Dow Chemical). Interested applicants must have completed (or will be completing) a pediatric dental residency. Please call or text Dr. Andrew Grillo at (989) 600-8037 if you have any questions about this opportunity!

MICHIGAN—PORTAGE. Portage Pediatric Dentistry is a single office, well established private pediatric practice located in Southwest Michigan. We are looking for a pediatric dentist who is compassionate, driven, enthusiastic, and a team player to join our growing practice. We provide treatment with nitrous oxide, oral sedation, IV sedation, and general anesthesia. A full or part time associate position is available. Whether you are a new graduate or in the thick of your career, please consider being a part of a practice where you can put patients first, truly grow into the type of practitioner you've always wanted to be, and be a fondly thought of and well respected member of a wonderful community. Please check out our website: www.portagepediatricdentistry.com, to get a better sense of who we are. You can contact me directly at jodywrathall@gmail.com or through the AAPD application. Please send your C.V. and cover letter. A little about our area: Portage/Kalamazoo is a wonderful, growing suburban area. Kalamazoo County is home to over a quarter of a million people. There are two thriving universities: Western Michigan University and Kalamazoo College. The Kalamazoo Promise was established in 2005, offering free in state college tuition to students attending Kalamazoo Public Schools K-12. Major corporations include Stryker, Pfizer (Covid vaccine representative!), Zoetis, Fabri-Kal, Kalsec, and nearby Eaton, Kellogg, Denso, and Whirlpool. We are the birthplace of Bell's Brewery and Gibson Guitar. We benefit from all four seasons, low cost of living, limited traffic, and amazing people. Whether you prefer city, suburban, or country living, Kalamazoo County can provide what you are looking for. Graduation from a US accredited Pediatric Dentistry residency program, US and Michigan Dental License, Michigan Specialty License.

MICHIGAN—TROY. A growing pediatric dental practice in Troy of Michigan is looking for a full time or part time pediatric dentist with potential buy in and eventually take over. The area has the best public high school in the country-Troy High School. I am a solo practitioner and willing to offer 40% collections or \$1,250.00 per day. Our office offers conscious sedation and full range of pediatric dental services to children and special needs patients. Michigan state dental license required. If you like to learn more about this opportunity, please call (248) 797-2551 or e-mail at jianfuz@aol.com. The safety and care of our

staff and patients are very important to us. All employees are provided proper PPE and hand sanitizer. All patients entering the office are screened and their temperatures are taken, masks are required. Both air purifier machine and aerosol reduction system have been added into each operating room to keep our workplace safe for all.

MONTANA—GREAT FALLS. Pediatric Dental Office in Great Falls, MT Seeking Associate. A busy pediatric dental office is seeking a full time or part time associate to join our fast growing pediatric dental practice. We offer nitrous, conscious sedation, IV sedation, and general anesthesia. Flexible Hours and days. Great place to live and work! Call Jenae Everett at (801) 995-1951.

MONTANA—HELENA. Our busy Pediatric Dental Office in Helena, MT is looking for another pediatric dentist to join our growing practice. We currently have two board certified pediatric dentists in our practice. We are growing and desperately need another pediatric dentist to join. We can offer full time, part time, whatever you want. Call Dr. Kevin Rencher for more information: (406) 431-6437. Must be a pediatric dentist.

NEW JERSEY—OLD BRIDGE. KidZdent is offering a full or part-time career opportunity to an enthusiastic, experienced or entry-level pediatric dentist who is interested in joining an amazing team of professionals, and developing a satisfying career. We are located in Central New Jersey, an easy drive to New York City, Philadelphia, the beautiful Jersey Shore, and the spectacular mountains of Northern New Jersey. Applicants will enjoy an exceptional production-based compensation pro forma, coupled with a full menu of benefits to include health care, dental care, 401K, an extensive CE program and much more! This opportunity to grow and prosper provides our pediatric dental associates with great financial success, as well as personal and professional growth and security. KidZdent is a full-service oral healthcare center for children and is dedicated to pediatric dentistry, interceptive orthodontics, orthodontics, and special needs dentistry. We believe in preventive dentistry, and providing the best options for our patients during each phase of growth and development. For over 40 years, KidZdent has grown to become the most trusted, premier practice in NJ for children's dental health care needs. Join our team of outstanding pediatric dental professionals today by sending your C.V. along with an introductory letter to christine@kidzdent.com, or by faxing same to Christine at (732) 679-8896. Visit our website to learn more about the culture at KidZdent! www.kidzdent.com.

NEW JERSEY—VOORHEES. NEW JERSEY - Philadelphia Area/Cherry Hill/Voorhees/South Jersey Area. Excellent opportunity for a Pediatric Dentist to join as a part time associate in a highly successful, well respected

and rapidly growing state of the art pediatric dental office in an upscale neighborhood. If desired opportunity for general anesthesia and IV sedation is available. Very competitive, excellent compensation! Check out our website at www.abccchildrensdentist.com. Please contact Dr. Jeffrey Singer at (856) 783-3515 or email me directly at jeffreysingerdmd@gmail.com. Requirements: Graduated from an accredited Program, Licensed to Practice Dentistry in New Jersey, Pediatric Dentistry Specialty Permit.

NEW MEXICO—SANTA FE. This is an awesome opportunity to live in an amazing, highly sought after location and work in an even more amazing office. Our doctors and friends and mentors to each other. We gather for lunch multiple times a week to laugh and discuss our successes and challenges. Santa Fe functions as a medical service center for the entire north east corner of New Mexico. As such, we have a mostly rural patient base; the office payer mix is 60/40 medicaid/private. Santa Fe itself has just under 100k residents. Major employers are the State and Los Alamos National Lab. We are about 5hr drive south of Denver on I-25 and 7hrs east of Phoenix on I-40. The climate is high desert/alpine. We enjoy 4 seasons with mild snowy winters and summers with highs in the 90s. Santa Fe has a regional airport and Albuquerque's international airport is only 1hr drive. Well established and privately owned pediatric multi-specialty practice seeking pediatric dentist or pediatric focused general dentist. Our practice consists of pediatric dentistry, orthodontics and general dentistry for a patient base mostly under the age of 20. We have 2 offices, both in the same town, so no big commute and are open Monday through Friday 8:30-4:40. Both offices are in newer buildings with state of the art technology and equipment including all digital charting, digital radiographs, laser, CBCT, intra-oral scanners. General Anesthesia cases are done at 3 local hospitals. We are seeking a full time dentist (4 days a week) to join our team. Although experience is nice, we are open to younger dentists and can provide mentorship and training for the right candidate. Our team of dentists is fun and seeks someone who desires to be a part of a collaborative group practice environment. Compensation: Compensation structure can vary based on experience; current and previous associates have earned exceptionally well. Benefits: We offer malpractice, health insurance, 401k, CE stipend and cover professional memberships. Additionally, Santa Fe offers world class arts, food and culture and is an outdoor recreation mecca. There is a ski resort 30min from town, endless hiking and biking trails, as well as ample hunting and fishing opportunities. Please contact us with details or questions at drhendricksdds@gmail.com, www.santafedentistryforkids.com. Requirements are to be a good person and have an active dental license.

NEW YORK—LEVITTOWN. Our busy Pediatric Dental Office in Nassau County, Long Island is looking for a part-time or full-time associate to join our growing practice. Please contact Flora at (516) 622-6630 or email eugenelee115@yahoo.com. Please visit our website at: www.littlemileslevittown.com.

NEW YORK—NEW YORK. Busy Pediatric Dental group with 16 locations and 40+ Pediatric Dental Associates is seeking full-time and part-time Pediatric Dentists. FT positions upstate make 400k+ per year [2k-3k per diem] and downstate 200k+ [1k-2k per diem]. Results vary based on clinical skills, efficiency, staff and patient management, etc. but we have had great success with onboarding and training talented Pediatric Dentists in the past. If you are caring and compassionate, if you enjoy working hard and helping people every day then this is the job for you. FT positions include 2wks PTO, medical insurance, malpractice ins, and relocation and retention stipends. Email resume to debrao@hqrcms.com. Requirements: New York State Dental license, NYS Medicaid Provider ID, DEA- we will cover the cost for new grads.

NEW YORK—POTSDAM. The only pediatric dental practice in St. Lawrence County: our newly established pediatric dental practice is seeking a full-time or part-time pediatric dentist to help fill the needs with our growing number of children patients. Our supportive team members care about our patients and strive to provide the best patient care. We provide a fun and friendly atmosphere and need an energetic provider to help with excellent patient care. Looking for someone to provide and educate patients and parents on their pediatric dental treatment with pre-operative and postoperative care. Must work in unison with other specialist and general dentists to provide the best optimal dental care. Looking for specialists who possesses professional enthusiasm and excellent clinical abilities to grow with our very busy office equipped with digital xrays and nitrous oxide. Very productive office and generous compensation packages: \$2500 per day guarantee. For more information, please contact: admin@cube.dental.

NEW YORK—VESTAL. Are you interested in making a difference in the life of a community and its children? Enjoy practicing the skill and art of pediatric dentistry in a newly-built themed office. You can accomplish your professional and personal goals in the Southern Tier of New York. Go on a wine-tasting tour in the scenic Finger Lakes Region; hike along the waterfalls and gorges of Ithaca; ski the Catskills and Endless Mountains in the winter; take a short drive for a weekend getaway to New York City or Philadelphia. Established, vigorous practice with 40-year roots in the community seeks talented and dedicated associate. Part-time and full-time positions considered. Your senior partners welcome

your involvement in all aspects of pediatric dentistry, including hospital privileges and more. Benefit from working with well-trained, dedicated staff members who truly love the challenge of working with children and their parents. If you are the kind of person who enjoys the challenge of a lucrative, fast-paced practice and has the desire to be a direct and positive influence within the local medical community, then Valley Dental Pediatrics is waiting for you. Please send C.V. to Dr. Tunison at michelleekuntz@gmail.com. Please call Dr. Tunison to confirm receipt of email (607) 744-2378. Required: board eligible, certificate in pediatric dentistry, New York State Dental license.

OREGON—NEAR PORTLAND / WILLAMETTE VALLEY. At Acorn Dentistry for Kids, our mission is to promote health and well-being through Entertainment and Education in a Magical Environment of Safety, Comfort

and Fun. To us, the experience we provide is more than just good dentistry, it is about creating a memory that kids and parents look forward to doing again and again. Are you a miracle worker that can transform that dental experience with us, or want to be mentored to become one? Our doctor group is humble, collaborative, and looking to grow both individually and as a team. Acorn Dentistry for Kids is a private practice with a public-health mindset. We exist because of the belief that Every Child Gets A Smile, whether on private insurance, Medicaid, or no insurance. We make it possible for every child to have what we call "Magical Moments." Do you align with that vision for the community in which you work? We are looking for purpose-driven pediatric dentists that want to grow along with our expanding private group practice, especially if you are interested in ownership. There are many great benefits to living in the area around Portland, Oregon too. Our clinics are centrally located for easy access to the Oregon coast. The Columbia River Gorge and Cascade Mountains with 4 season recreational opportunities are also near. Big city life and quaint small towns are equally accessible. Our temperate climate means we don't have to worry about tornados, major floods, or hurricanes, and the local food is fantastic! Have you thought about doing international mission trips? We just started a non-profit organization named Acorn Kids International, whose purpose is Creating Magic around the world! This is bigger than a single clinic, we are starting a locally-led, globally-minded movement! Doctor benefits include a generous amount of doctor mentorship, a great signing bonus, a guaranteed daily base pay, 401k plan, medical/dental/vision insurance, all licensing and malpractice insurance fees paid, as well as a generous CE stipend. If you are thinking long term, we have a leadership track that outlines a simple pathway to partnership to truly be invested and create a legacy as part of our fast-growing group. Please email timrichardsondds@gmail.com to find out more about this remarkable experience. We look forward to sharing this incredible journey with you.

PENNSYLVANIA—PITTSBURGH. Youth Smiles Dental Center is looking to hire an experienced D.M.D. to join its primarily pediatric based practice. Practice for Sale

ALABAMA—MONTGOMERY. Montgomery is the perfect blend of charming southern town and vibrant new south city. New to the market is a busy pediatric dental practice in Montgomery, AL! Interested in exploring their transition options, the current doctor is open to all opportunities. Currently the practice is equipped with seven operatories. There is an opportunity for expansion via a build out of the existing space. Of course, with this in mind the real estate for the building is also available. The practice supports both the owner doctor as well as an associate. With 85 new patients per month, you'll be busy from day one! For an overview of this Montgomery, AL Pediatric Dental Practice, read below: We have 7 operatories, Expansion opportunity via build-out, Collections of \$1.409 million, EBIT-DA \$452,000, 6630 active patients, 85 new patients/month and real estate available. The capital of Alabama, Montgomery, is situated along the Alabama River and enjoys a strong economy in sectors like agriculture, advanced manufacturing and healthcare. Maxwell Air Force Base provides a large military presence, and universities include Alabama State, Auburn at Montgomery and Troy-Montgomery. In addition, the community has multiple public parks and cultural attractions. To learn more about this busy Montgomery, AL pediatric dental practice please contact Professional Transition Strategies. Email Sam Schoenecker to receive the prospectus: SAM@PROFESSIONALTRANSITION.COM or call: (719) 694-8320. We look forward to speaking with you!

OREGON—PORTLAND. Portland has much to offer. From food carts and farm-to-cone ice cream to breweries and books, Portland has something for everyone. New to the market is a vibrant pediatric dental practice in Portland, OR. The current doctor is seeking a growth partner to help manage the busy practice. The practice is a staple in the community and sees an average of 70 new patients each month. Additionally, the location is excellent with a plethora of parks and a small town feel; making it ideally situated for young families and children! For an overview of this vibrant Pediatric Dental Practice in Portland, read below: 7 operatories, collections of \$1.647

million, EBITDA (2021) over \$280,000, 2240 active patients, 70 new patients/month. Like its monikers, Portland is pretty unique. It has world-renowned chefs and hundreds of food carts; art in theaters and outside on the street; the world's largest independent bookstore and highest concentration of craft breweries; a huge urban forest; and a bridge reserved for bicyclists. As the biggest city in Oregon, the draw for Portland is the job opportunities. With major companies such as NIKE, Boeing, The Standard and Columbia, career opportunities attract talent to the area. The relaxed, outdoor lifestyle and food seems to be a magnet for young professionals and families. This isn't your typical city. If Portland wasn't so different, it wouldn't be Portland. To learn more about this pediatric dental practice in Portland, OR please contact Professional Transition Strategies. Email Sam Schoenecker to receive the prospectus: SAM@PROFESSIONALTRANSITION.COM, or call: (719) 694-8320. We look forward to speaking with you!

Faculty Position Available

WASHINGTON—SEATTLE. The Department of Pediatric Dentistry in Seattle, Washington is seeking a full-time Graduate Program Director. This is a 12-month service period, at the rank of Associate Professor (with tenure) or Associate Professor tenure-track. The University of Washington (UW) Department of Pediatric Dentistry is nationally and internationally recognized as one of the premier departments in the country, known for the exceptional quality of its predoctoral and graduate programs. The Department has dedicated and experienced faculty, both full and part-time, with a strong commitment to excellence in education, diversity, patient care, scholarly activity, research and public health and global health. The Department of Pediatric Dentistry maintains primary responsibility for educating predoctoral dental students and post-doctoral resident trainees in the care of children's oral health. The primary clinic site is the Center for Pediatric Dentistry (CPD), a 16-chair outpatient clinic with an on-site ambulatory dental surgery center (DSC), which is staffed by pediatric dentistry faculty. Annually, the Department provides 15,000 to 20,000 patient visits, including completion of approximately 500 general anesthesia cases. Each year, the Department accepts five candidates to the two-year advanced education in pediatric dentistry residency program which is fully accredited by CODA and a component of UW Graduate Medical Education. Trainees undergo rigorous clinical and didactic training at the UW, Seattle Children's Hospital (SCH), and community sites and receive a Master of Science in Dentistry degree from the University of Washington Graduate School. The primary responsibilities for this position include: Direct the pediatric dentistry residency program, including but not limited to didactic and clinical curriculum development, overseeing

selection of candidates for admission to the program, conducting trainee evaluations, preparing for CODA accreditation, developing and implementing program policies that are compatible with accreditation and institutional requirements, and serving as a mentor to the residents. Serve as a clinical and didactic instructor for residents and pre-doctoral students. Provide patient care at the CPD and the DSC. Represent the department at interdisciplinary meetings at university, local and state level associations such as Washington Pediatric Dentistry Alumni Association and Washington State Academy of Pediatric Dentistry. Participate in the School of Dentistry and national Graduate Program Directors meetings such as the American Academy of Pediatric Dentistry. Play a lead role in the Interdisciplinary Special Needs Access Network (I-SPAN), a five-year Health Resources and Services Administration grant. Participate in after-hours call at Seattle Children's Hospital. The University of Washington faculty engages in teaching, research, and service. The Department of Pediatric Dentistry is committed to building a diverse, equitable and inclusive learning environment. This position will be expected to innovate and create teaching/research/service models that incorporate diversity, equity, and inclusion. The University of Washington (UW) School of Dentistry was ranked No. 4 in the United States, and No. 15 in the world in Britain's 2021 Quacquarelli-Symonds (QS) World University Rankings. The University of Washington, as both a state government institution and a public university, meets the federal requirement of a "public service organization" as defined by the Public Service Loan Forgiveness (PSLF) Program. The successful candidate must have a D.D.S./D.M.D. or foreign equivalent, and completion of a CODA-accredited advanced education program in Pediatric Dentistry with current standing as a diplomate of the American Board of Pediatric Dentistry; and ability to practice dentistry in the State of Washington. Successful candidates must either hold the title of associate professor or equivalent, or be eligible for promotion from assistant professor. In addition, the candidate is expected to obtain a State of Washington permit to administer moderate sedation or moderate sedation with parenteral agents by the start date. Positive factors for consideration include, but are not limited to, high emotional intelligence, determination, accountability, strong organization skills, leadership, excellent written and verbal communication skills, team player, ability to connect with others and a sense of humor. Applicants must possess a substantive teaching portfolio, history of funded research/training grants, manuscript publications, and expertise in academical leadership to enable her/him to lead a graduate program into one of the country's premier pediatric residency programs. Salary will be commensurate with the qualifications and experience of the selected applicant. Please contact macheso@uw.edu for information on how to apply.

Vella®: The Versatile Varnish.

The fluoride varnish experience that's actually pleasant for both you and your patients.

No matter their age, patients are happier when you apply Vella's smoother, less gritty formula with a "thin to win" technique, leaving them with just the sweet scent and taste of fresh, fun flavors.

You're happier too. Vella's clear formula applies easily in a wet field, dries quickly, and provides fast fluoride release and uptake at two hours¹. Sweetened with Xylitol, Vella contains NuFluor®, our combination chemistry featuring fluoride, calcium and phosphate for greater relief of hypersensitivity.

Gluten-free Vella is available in five great tasting flavors guaranteed to please even your pickiest patients. Use it and make everyone happy.

Cheng Crowns excels.

Integrity. Innovation. Drive. These are the hallmarks of American business—and the ideals that make Cheng Crowns exceptional. Founded in 1987, this family-owned company designs and manufactures superior pediatric dental crowns at our state-of-the-art facility near Philadelphia. Today, dentists around the globe trust Cheng Crowns, and our crowns are still proudly made in America. Visit us at ChengCrowns.com/PDT-2.

THE CROWNS DENTISTS TRUST.™ ChengCrowns.com/PDT-2 800.288.6784

DESIGNED IN THE USA
MADE IN THE USA

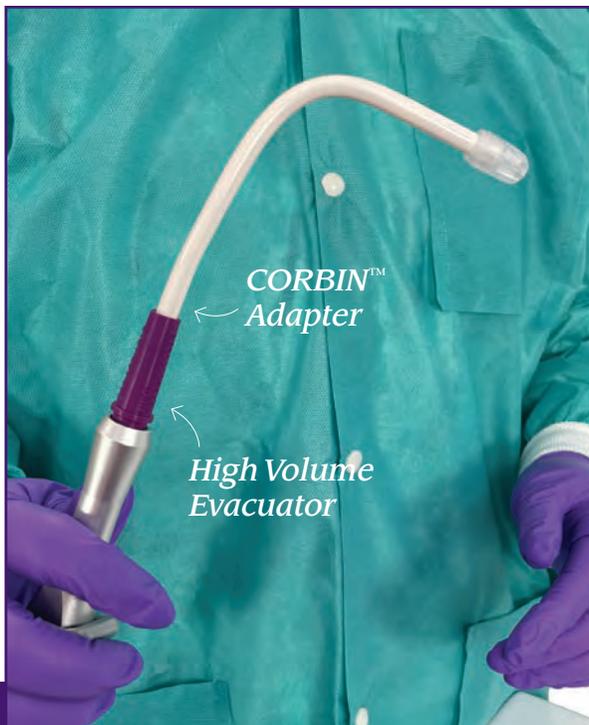

CORBIN™ Adapter

Allows the Use of a Low Volume Saliva Ejector with HVE

High volume evacuation (HVE) removes potentially contaminated aerosols directly from the patient's mouth, to reduce the risk of contamination. It is also useful when a patient has difficulty swallowing, to clear fluids more quickly.

However, HVE tips are awkward to maneuver, and generally do not bend. The new **CORBIN™ Adapter** allows you to use a more manageable low volume tip, and easily attach it to high volume evacuation.

Low-cost and with no need for additional equipment, the CORBIN™ Adapter should be autoclaved after each use. Replace when it appears worn. Sold in packs of 4, for \$24.95.

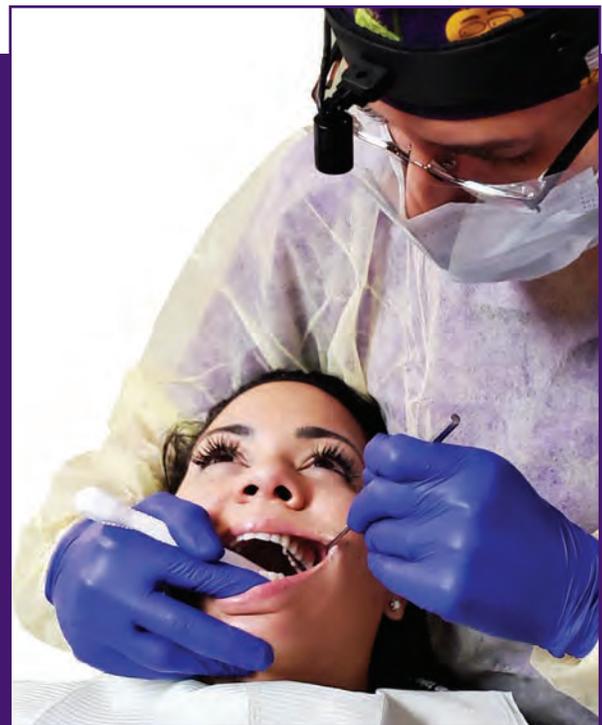

Molini™ Mouth Opener

Helps in Challenging Situations

The **Molini™ Mouth Opener** is a great option for oral access when patients are uncooperative, bedridden, or have poor muscle control. The tapered end acts as a wedge to help open the mouth when teeth are clenched, and the trim design allows greater visibility of the oral environment. The handle has a bulbous end with a secure grip surface to prevent slipping.

The Molini Mouth Opener was developed in conjunction with a technique where the clinician simultaneously holds the patient's head and the Molini tool, as shown in the photo, with the appropriate points of support intra and extra orally. It can also be used for cheek/tongue retraction or as a standard bite block. Sold in a pack of 1 for \$24.00.

To place an order, please scan the QR code, visit our website at specializedcare.com or call us at 800-722-7375.
