The Only Challenge in Continuing Education Should be Learning

AAPD Journal CE Program – Making Continuing Education Easy

Journal Continuing Education Program

AAPD members can earn up to three (3) continuing education credits per issue of Pediatric Dentistry (up to 18 credits annually) by subscribing to the Journal CE Program, offered online in 2019. Subscribers read selected articles in each issue of the journal, answer questions on those articles, and electronically submit the form for grading. Verification of CE credit is sent with the graded test.

Please enroll me in the Journal CE Program for January – December 2019 for a fee of \$95.
