

Domain and Sub-Domain Coding Framework: Definitions		
Domain	Sub-Domain (Combined n)	Definition

	Recruitment & Retention Incentives (38)	Signing bonuses, relocation support, housing stipends, income supplements, or service commitments used to place dental providers in rural areas.
	Pipeline & Apprenticeship Programs (36)	Structured pathways from training to rural practice, including apprenticeships, preceptorships, and earn-and-learn models.
	Loan Repayment / Scholarships (11)	Financial awards tied to educational costs or debt, provided in exchange for a rural service commitment.
	Rural Rotations / Preceptorships (9)	Clinical training placed in rural settings to expose students to rural practice.
	Workforce Retention Support (6)	Wraparound, non-financial support such as mentorship, peer support, wellness programs, or concierge relocation services.
	Scope of Practice Expansion (3)	Workforce growth achieved by allowing existing providers (e.g., hygienists) to practice more independently without a legislative change; if legislation was required, it was coded under Legislation Updates instead.
Infrastructure	(Domain definition)	<i>The proposal funds physical facilities, equipment, EHRs, or health IT systems that include or could include dental providers.</i>
	EHR / Health IT (27)	Funding for electronic health record systems or broader health information technology infrastructure that includes, or could plausibly include, dental providers.

	Mobile Dental Units (26)	Vans, portable equipment, or deployable dental teams that travel to communities to deliver care.
	School-Based Dental Clinics (20)	Dental services delivered on-site in K-12 school settings.
	Community / FQHC Dental Clinics (8)	Brick-and-mortar dental access built through FQHCs, community health centers, or satellite rural clinics.
	ED Diversion / Urgent Dental Care (3)	Programs that redirect dental emergencies away from the emergency department or provide dedicated urgent dental care.
Dental Education	(Domain definition)	<i>The proposal funds formal training programs, residencies, K-12/ Career Technical Education (CTE) pathways, or allied health education explicitly for dental professions.</i>
	Allied Health Training Programs (21)	Funding to create or expand formal training programs for dental hygienists, assistants, or other allied dental professionals (distinct from workforce incentives such as scholarships).

	Virtual Dental Exams / Triage (26)	Telehealth-based dental consultations, remote X-ray review, virtual triage systems, or teledentistry platforms.
	Mobile Teledentistry Units (2)	Mobile units whose primary function is connecting patients remotely to dental providers via technology, rather than delivering in-person care directly.
Value-Based Care	(Domain definition)	<i>The proposal redesigns payment models, care coordination, or quality improvement to include dental providers.</i>
	Alternative Payment Models (15)	Payment structures that reimburse dental care based on value or outcomes rather than fee-for-service.
